

The New Hampshire Camp Director's Association (NHCDA) is seeking a dynamic Operations Coordinator to manage its efforts to support organized camps in New Hampshire. We are looking for a Connector, Facilitator, Communicator and Educator.

## The Organization

**NHCDA** is a trade association of organized camps in the state of New Hampshire. NHCDA offers advocacy, leadership, education, development, support and fellowship for 120+ camps and many hundred camp professionals. We also provide resources for families seeking camps.

### The Position

The Operations Coordinator reports to Board of Directors and is a self-starter, responsible for connecting camp professionals with resources to solve issues, facilitating the sharing of ideas, communicating with our camp/business members, educating parents on value of summer camps in NH, educating camps on regulatory requirements and identifying new areas of opportunity or concern for the NH camp community.

#### Other Responsibilities:

- Manage memberships, Recruit new members and business contacts
- Coordinate Fall Education Conference
- Maintain website and social media presence
- Produce newsletter and other regular member communications
- Support the NHCDA's relationships with key state entities (DES, DOL, Marine Patrol)
- Work with NHCDA's Board of Directors, especially the committee chairs to facilitate meetings and follow up on action items

# **Experience & Skills Desired**

- Familiarity with New Hampshire Camping Industry
- Enjoyment in meeting new people
- Proficiency with technology
- Experience with email marketing
- Ability to create promotional material and articles

#### **Details**

20 hours/week from September through May; Summer hours as needed to "keep things going"; Requires timely management of returning phone calls and e-mails.

Work from home office, preferably in central NH.

Compensation Range: Up to \$20K on an annual basis

Ideal Candidate will be hired by October 1, 2017
